Students

Over 5500, from over 75 countries

Faculty

A strong, international Faculty body, with over 380 teaching professionals from countries such as the USA, UK, France, Germany, Brazil, China, Greece, and the vast majority with Doctorates.

Research

- Over a dozen academically affiliated institutions engaged in research and other activities funded at both the local and EU level
- Faculty papers widely published in international journals and presented in numerous international conferences each year

International Cooperation

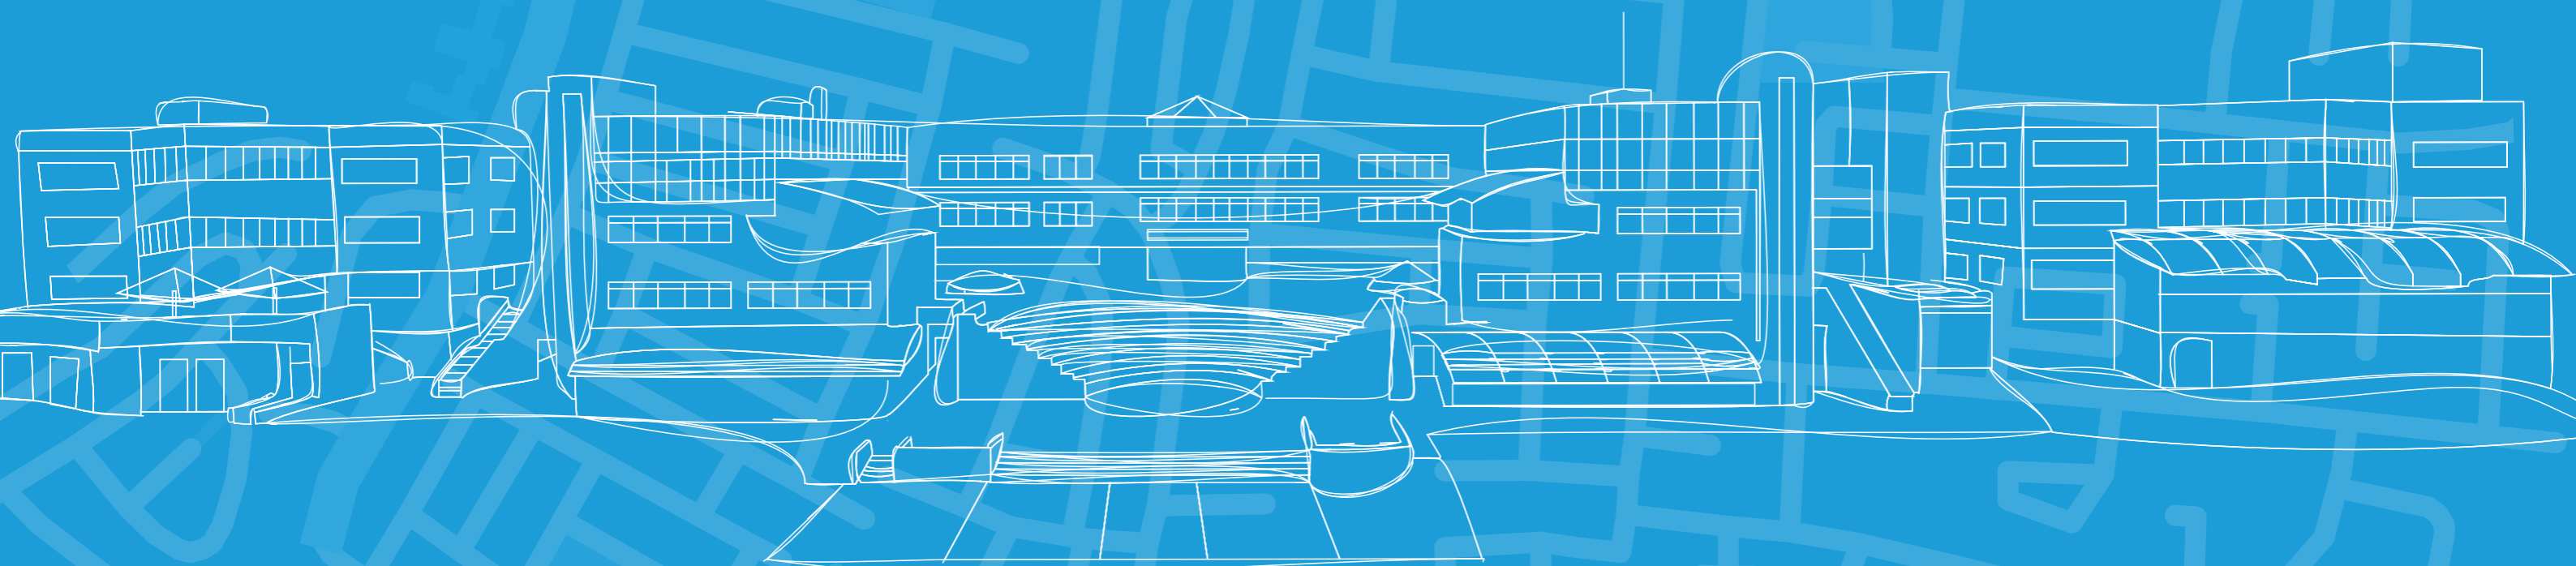

The University forges links with reputable overseas universities, in order to offer innovative programmes of study. One of the most prominent is the collaboration with St George's, University of London, one of the leading medical schools in the UK, which has joined forces with the University of Nicosia in offering the St George's graduate-entry 4-year MBBS (Bachelor in Medicine and Bachelor in Surgery) programme in Cyprus.
